Summary

I am a fourth-year PhD Student at the Dept. of CSE, IIT Kharagpur advised by Prof. Pawan Goyal and Prof. Sourangshu Bhattacharya. As part of the Complex Networks Research Group (CNeRG), I work on problems that lie at the intersection of Natural Language Processing, Information Retrieval, and Computational Social Science. I did my Masters from IIIT Delhi and Bachelors from Jadavpur University. Additionally, I have four years of professional experience with PwC India specializing in Data Warehousing, Data Modeling and Business Intelligence using Microsoft Technologies.
